[1] Section 511 of Title 18 of the Louisiana Revised Statutes, as amended, provides that a candidate who is unopposed is declared elected by the people and his/her name shall not appear on the ballot in either the Primary or General Election. (This was the situation with the 3d, 4th, and 5th Congressional Districts.) Section 511 also provides that a candidate who receives a majority of the votes in the Primary Election is declared elected. (Since this was the situation in the remaining districts, and for U.S. Senator, none of the nominees appeared on the General Election ballot.)
